

Dear Parents,

Below is a list of organizations that offer scholarship opportunities. You can apply for Individual Applications on most of these websites. Please check for deadlines on each website, as each one is different. Even if some applications are closed for this year, please keep this list close and start applying early next spring for next school year.

If your child is entering Kindergarten or transferring from another school, please take advantage of the Corporate Application. You will need to look for these on each website; some offer them, some do not.

Also, please look into the PLUS/Switcher Application on these websites as it may be another opportunity for you receive scholarships, if you meet the qualifications.

Please take advantage of these possible scholarships and awards as they can help pay for your child's/children's tuition.
